

Head of Retail

- **Join the executive team leading one of Australia' most important infrastructure assets**
- **Strategic delivery of the retail and commercial businesses**
- **Outstanding Career Opportunity**

Brisbane Airport is the multi-award winning, premier gateway to Qld, recognised worldwide as a leading airport and voted the Best Airport in Australia/Pacific 2016 & 2017. Maintaining its vision to be world best and with passenger numbers forecast to double, BAC is on the cusp of the most exciting phase in its history which will see more than \$3.8B privately invested in new runway, infrastructure and terminal developments.

Responsible for the generation of revenue through the development and management of all the retail and commercial assets on airport, including the domestic and international terminals, your strategic capability will drive innovative ideas exploring and establishing non-traditional revenue streams. The role includes managing airport advertising, mainstream and digital marketing strategies, and working with the wider group to develop strategies to reposition the retail and commercial businesses.

Managing a highly motivated team and collaborating across all business units to deliver superior quality of services and products, BAC is a dynamic organisation offering exciting professional challenges and personal development opportunities.
