

General Manager – Consumer Businesses | Retail, Parking, Landside Transport

- **Brisbane Airport Corporation**
- **Join the executive team leading one of Australia’ most important infrastructure assets**
- **Outstanding Career Opportunity**

Brisbane Airport is the multi-award winning premier gateway to Qld. With a vision to be a world best and preferred choice for passengers, airlines and businesses, they have a unique role within their executive management team that offers diversity, challenge and an amazing working environment for you to further develop your skills across commercial management and leadership.

As General Manager Consumers you will be responsible for the generation of revenue through the development and management of the airport’ terminal retail, parking and landside transport businesses. Reporting to the CEO, you will be key to continued revenue growth and the development and delivery of consumer-led strategies and digital marketing initiatives across the wider group to enhance customer engagement and experience. Collaborating across all business units, your strategic capability will drive innovative ideas across property development, retail and commercial business management, exploring and establishing non-traditional revenue streams to maximise commercial performance, product range and business improvement across the consumers group.

It is essential candidates possess a tertiary qualification in business, commerce or marketing along with significant senior management experience in a consumer-led and technologically advanced environment. Strong commercial business acumen and skills in financial management, managing and maximising revenue, and board reporting are also required. Presenting drive, motivation and leadership qualities, your advanced interpersonal skills will prove capable in managing a high-performing team of professional individuals creating and delivering exceptional projects.

BAC is a dynamic organisation offering exciting professional challenges, personal and career development opportunities. Offering a highly competitive salary package including bonus, this is an exceptional opportunity to join Brisbane Airport Corporation and become an integral part of a well-regarded executive team within the aviation property sector.
