New Leadership Added to the Board at the ACI Asia-Pacific Regional Assembly

New leadership was added to the Regional Board following the Regional Assembly on 3 April with three new Directors elected for a three-year term commencing in April:

Mr. Mohamed Yousif Al-Binfalah,
Chief Executive Officer of
Bahrain Airport Company SPC

Mr. Futoshi Osada,
Senior Executive
Vice President of
Narita International Airport
Corporation

Mr. Ming-Teh Wang,
Chairman of Taoyuan
International Airport
Corporation

Commenting on the elections, Patti Chau, Regional Director said, "I wish to congratulate all elected members of the Board. Together with our President, we look forward to working closely with our Board in strengthening ACI Asia-Pacific's role in representing our members in the region and advocating members' interests."

The Regional Board is a governing body which determines the overall development strategy of ACI Asia-Pacific. The Board is composed of 25 aviation business leaders from across Asia-Pacific and the Middle East.

Preliminary year-on-year traffic growth rates for Airports reporting highest traffic volume in the respective size category in February 2019

Note :

1. ACI preliminary passenger and freight statistics are based on a significant sample of airports that provide regular monthly reports to ACI. They represent approximately 60% of total passenger traffic and 70% of total freight traffic worldwide. Commentary, tables and charts are based on preliminary data submitted by participating airports and are therefore subject to change.
2. Airports are categorized based on the rolling passenger traffic in the last 12 months.

ACI Developing Nations Assistance Seminar – A Good Start for 2019!

In collaboration with ACI World and respective host airports, 2018 saw the successful delivery of five [ACI Developing Nations Assistance \(DNA\) seminars](#) in Asia-Pacific and achieved overwhelming participation from over 100 colleagues representing over 25 airport members. Looking forward, the Regional Office has further raised the bar by scheduling **six DNA seminars** in 2019 covering crucial topics for our airport members.

First ACI DNA Seminar in 2019 Held in Hong Kong

The first ACI DNA seminar of 2019 was held from 5 - 6 April in Hong Kong. The seminar, kindly hosted by Airport Authority Hong Kong, was held immediately following the 2019 ACI Asia-Pacific/ World Annual General Assembly, Conference & Exhibition (WAGA 2019).

Thirteen airport representatives from Cabo Verde, Cambodia, India, Kenya, Liberia, Malawi, the Philippines, Tonga, and Uganda participated in the 2-day seminar to learn about Management on Airport Security. The seminar was delivered by Mr. Clive Howard, Senior Manager, Efficiency Unit & Operations Support of Aviation Security Company Limited. Topics covered included ICAO Annex 17, use of aviation security equipment and their maintenance, as well as the selection, training and certification of personnel.

ACI DNA Seminar on “Aerodrome Certification” – Calling for Registration

The next DNA Seminar will be held on 10-12 June in Haikou, China, to be delivered in cooperation with HNA Airport Group Co. Ltd. The seminar will be on Aerodrome Certification and topics will include:

- Purpose, process and requirements to maintain Aerodrome Certification
- Summary of relevant ICAO documents and their purpose in Aerodrome Certification
- How the audit process enhances an airport’s safety management system
- Importance of safety compliance
- Description of different auditing tools and techniques

In order to ensure an effective and interactive experience, the number of participants is limited to two persons per eligible airport member. Registrations will be considered on a first-come-first-served basis. Please complete the [online registration form](#) by **20 May 2019** to register for the seminar.

Please contact Ms. Sharmaine Li, Assistant Manager, External Affairs at sharmaine@aci-asiapac.aero should you have any questions about the ACI DNA Programme.

Mark Your Calendar for upcoming ACI Events in 2019!

We are now calling for support and participation to the two other ACI Asia-Pacific co-organized events this year.

The Trinity Forum, the world’s most influential airport commercial revenues conference, will be held in Doha in 2019, the first time the event has ever been hosted in Qatar.

The Forum, a joint venture between The Moodie Davitt Report, ACI World and ACI Asia-Pacific, will be hosted by Hamad International Airport (HIA), Qatar Airways and Qatar Duty Free (QDF) and will take place in Doha on 30-31 October 2019. This is also the first time in the event’s 16-year history that an airline has joined the hosting line-up. For further information about the event, please visit the event website [here](#).

ACI EUROPE and ACI Asia-Pacific, with the support of our host Abu Dhabi Airports, are delighted to bring **Airport Exchange** to Abu Dhabi following recent successes in Oslo, Oman, Istanbul, Paris and Doha.

Airport Exchange is Airports Council International's biggest annual trade show and is a truly global event drawing 1,000+ delegates, 70+ exhibitors & sponsors, and 120+ expert airport speakers. The three-day event, taking place at ADNEC on the 25-27 November 2019, is considered one of the most important gatherings in the aviation industry, assembling hundreds of top executives from the Middle East, Europe, Asia Pacific, and the rest of the world. For further information about the event, please visit the event website [here](#).
