# What is Airports Innovate?

Airports are always striving to reinvent themselves from operations to technology and infrastructure upgrades to business strategy. Innovation is the driving force behind this transformation. In line with this dynamic environment, Airports Innovate is curated as premier global event that captures the innovations transforming the future of air travel.

**Airports Innovate** seeks out-of-the-box ideas by providing a platform for game-changers, innovators, start-ups and finest tech minds to demonstrate their disruptive ideas and solutions that have the potential to shape the future of airports. This is a must-attend event for anyone looking to stay at the forefront of innovation and be part of shaping the future of the aviation ecosystem.

**Transforming the Future of Aviation Ecosystem**

**Springboard for Thought-Leaders & Innovators**
