WELCOME TO

ACI ASIA-PACIFIC & MIDDLE EAST REGIONAL ASSEMBLY, CONFERENCE & EXHIBITION

The ACI Asia-Pacific & Middle East Regional Assembly, Conference & Exhibition is a major annual event for the airport industry in the Asia-Pacific and Middle East regions. It brings together senior airport executives, industry leaders, and stakeholders to discuss key issues, share best practices, and explore the latest trends and technologies shaping the future of airports.

RACE 2026

Welcome to the ACI Asia-Pacific & Middle East Regional Assembly, Conference & Exhibition – now affectionately known as RACE.

RACE unites the airport community from these regions to guide the industry in the right direction. Together, we can engage in discussions, share insights, celebrate achievements, and build valuable connections that will propel us forward.

This year, our theme, “Airports as Engines of Shared Prosperity”, highlights how the airport ecosystem drives social and economic development. This theme reflects our commitment to drive a more connected, inclusive, and prosperous aviation future in the Asia-Pacific and Middle East regions.

Welcome to RACE

Your journey to the future of aviation starts here!

We can't wait to see you there!

ACI ASIA-PACIFIC & MIDDLE EAST: RIYADH, SAUDI ARABIA

ABOUT THE ORGANISER

Airports Council International Asia-Pacific & Middle East (ACI APAC & MID) serves as the voice of airports. It represents airport members, operating over 600 airports across Asia-Pacific and Middle East. ACI APAC & MID is head-quartered in Hong Kong and has a Middle East office in Riyadh, Kingdom of Saudi Arabia. We represent the collective interests of airports to promote professional excellence in airport management and operations. Asia-Pacific and the Middle East is the most dynamic aviation markets in the world, home to nine of the fastest-growing markets globally. The impact of our industry is significant that according to the latest Economic Impact Assessment, air transport supports 46 million jobs and contributes \$1.18 trillion to GDP in Asia-Pacific and the Middle East. With air traffic set to expand, the aviation sector's direct contribution to GDP is projected to grow annually by 5.1% in Asia-Pacific and 4.5% in the Middle East over the next two decades.

ACI is a federated organization, comprising ACI Asia-Pacific & Middle East, ACI Africa, ACI EUROPE, ACI Latin America and Caribbean, ACI North America, and ACI World. In representing the best interests of airports, ACI makes a significant contribution toward ensuring a global air transport system that is safe, secure, efficient, and environmentally sustainable. As of October 2025, ACI collectively serves 830 members, operating 2181 airports in 170 countries.
